Walkerton Parks Department
manages more than 60 acres of park land and
open space. We offer a
variety of recreational programs,
activities, and special events each year. In 2019,
more than 1500 children
registered for park programs, took part in free
events and activities, or used park amenities.

Your support makes it possible to
offer residents and area neighbors the benefits
of organized programming and activities while
keeping the fees at a minimum. On average, we
need over 50 team sponsors yearly. If you
choose to sponsor a team, your business name
will be placed on the back of the team shirts and
you will receive an appreciation plaque.

Through the generosity of donors,
volunteers, and supporters, Walkerton Parks and
Recreation will be in our
community for future generations to continue
To enjoy for years to come.
